**MEMO**

The Town of Luther Board of Trustees has suspended meetings of the Luther Planning Commission until a Comprehensive Plan submitted by the New Urbanism Committee has been approved.

In order to better serve residents, the Town Trustees have given the Chairman of the Town of Luther Planning Commission sole authority to approve or deny building permit applications submitted for property within Town limits.

Should the Chairman deny a building permit application, citizens may address the Town of Luther Board of Trustees acting as the Town of Luther Board of Adjustment.

Questions may be directed to Planning Commission Liaison, Trandy Langston.

Mayor Jenni White
