## PREFACE

---

The Luther Town Code, originally published by Oklahoma Municipal League in 1985, has been kept current by regular supplementation. In 2003, Sterling Codifiers began providing supplement service for the Town Code.

This Town Code of the Town of Luther, as supplemented, contains ordinances and resolutions up to and including ordinance 2017-18, passed September 12, 2017, and resolution 2012-01-01, passed December 13, 2011. Ordinances and resolutions of the Town adopted after said ordinance and resolution supersede the provisions of this Town Code to the extent that they are in conflict or inconsistent therewith. Consult the Town office in order to ascertain whether any particular provision of the Code has been amended, superseded or repealed.

## FOREWORD

This code of ordinances is provided by the Oklahoma Municipal League as a part of its service program for cities and towns in Oklahoma. Technical staff assistance has been provided by Floyd, Kennedy And Associates, Inc., of Oklahoma City, which was responsible for the organization, codification, and indexing of this code.

This codification provides a complete revision and codification of all ordinances of a general and permanent nature of the town of Luther. All obsolete, illegal or superseded ordinances have been repealed as a part of the codification. All amended ordinances are brought up to date. The code also includes certain new ordinances that were prepared to fill in gaps not covered by existing ordinances.

The code includes several features that will facilitate its use. The various chapters and articles of the code follow one another in a natural, logical order. The table of contents with a complete outline of this order will often provide sufficient reference points for the reader. In addition, the reader may consult the alphabetical index at the end of the volume. At the beginning of each part and chapter there is a section-by-section analysis of the articles and sections within the chapter and part.

Non-textual provisions such as severability clauses, repeals, and enacting clauses are omitted from the text but are covered in part one of the code that applies to the entire code. In most instances, references to "this ordinance" in the text of an ordinance have been changed to "this chapter" or "article" as deemed appropriate. Various editorial notes, state law references, and amendment notes have been included throughout the code to clarify its provisions.

The citations included at the end of sections apply to the original source and approval date of ordinances. Sections of the code which do not have a citation represent new ordinances that have been added to fill in gaps or to replace ordinances which have become outdated.

The new code is published in loose leaf form so that all new ordinances may be printed for inclusion therein on a regular basis. The Oklahoma Municipal League has available a periodic updating service. The service can be secured through an agreement between the municipality and the League under which the town clerk would send new ordinances, and amendments to ordinances, and the League would provide new and replacement pages for the code.

We gratefully acknowledge the cooperation and assistance rendered by the town officials in the preparation of this code.
