

# LUTHER, OK

## Welcome to our Town

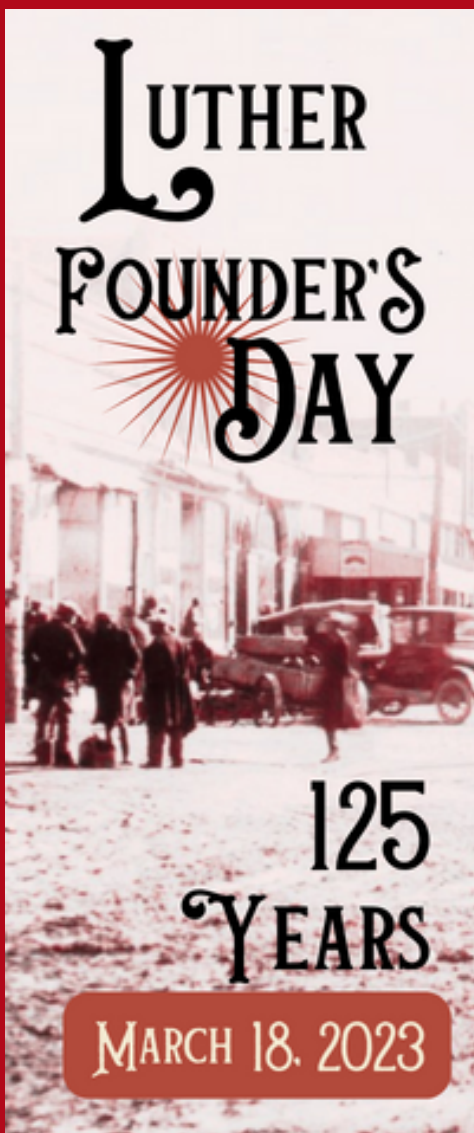

As the Town Mayor, I'm a recent arrival to Luther and was delighted to discover both the rich history of the Town and the progress being made for the future.

Incorporated as the Town of Luther in 1898, the already established, predominantly black community was already active and prosperous. A gem in the Town's history is the Booker T. Washington High School which was one of the most successful black high schools in the nation prior to integration in the 1960s.

The future for Luther is one of controlled growth. While preserving a traditional rural Oklahoma atmosphere, Luther offers excellent modern schools, pleasant parks, and is expanding infrastructure and housing options for current and future residents and businesses.

Welcome to one of our highlight events, the 2022 Luther Pecan Festival; enjoy yourself while you're here and come back soon!

# A Great Day!

"It is my pleasure, as the Superintendent of the greatest school in the state of Oklahoma, to welcome each of you to the 2022 Luther Pecan Festival."

Luther Public Schools is located in Eastern Oklahoma County in the beautiful community of Luther, Oklahoma. Our school serves approximately 850 of the greatest students in Oklahoma, Pre-K through 12th grade. We take pride in offering our students many educational opportunities. At the high school level, we offer Advanced Placement Classes, Concurrent enrollment in college classes, Career Tech opportunities, Performing Arts classes, Agriculture Education classes and various athletic opportunities. Our students are encouraged to participate in Middle School and High School Academic Teams. Our Elementary students have the privilege of participating in the STEM club in conjunction with the Eastern Oklahoma County Technology Center.

The students, faculty and staff of Luther Public Schools exemplify our motto, "Proud of Our Past, Leading in the Present, Targeting Excellence in the Future."

It is ALWAYS a GREAT day to be a Luther Lion!!
