MANAGER'S REPORT March 14, 2023

TOWN

Sales Tax \$53,382.47 and Use Tax \$10,894.79 receipts are on target with our budget.

We hope to be applying for a grant for ARPA funds through Oklahoma County for a Fire Tanker/Engine. We found out about the grant possibility a little late, so we are scrambling to get the grant submitted by the deadline of this Friday, March 17, 2023. Since this would benefit a large portion of our Fire District that is located in unincorporated Oklahoma County, I am hopeful that we will receive consideration.

LPWA

We had 2 water breaks last week due to unmapped lines being cut by an ONG contractor. ONG is replacing lines in specific areas and we are working together to try to prevent this from happening again as they continue their work.

Two (2) grant applications were submitted last week to Oklahoma Rural Water Association, one (1) for an additional portable generator and the second for digital water meters for the remaining properties that do not currently have digital meters.

We have received the Notice to Proceed for the ACOG REAP grant to build the LPWA shop.

We continue to search for more grant opportunities.
