EMERGENCY: 911

Run stats for LFD during the month of March 2025. LFD ran a total of 127 calls for the month of March.

Medical- 14
Mutual Aid- 15
Structure Fire-49
Hazardous Material-1
Vehicle Fire-1
Grass fire- 43
Motor Vehicle Accident- 2
Smoke Investigation- 1
Vehicle Fire- 1

In conjunction with Oklahoma Forestry service, Oklahoma County Emergency Management, and Luther Fire personnel the final tally for structures lost during the March 14th fire which was named "Hickory Hills Fire" due to the road in which it had began on is as follows.

20 homes were destroyed.
20 outbuildings destroyed (this is a combination of shops, garages, well houses, and sheds).
2 commercial buildings were destroyed.
5 outbuildings damaged (this is a combination of shops, garages, well houses, and sheds).

These numbers are represented in the "structure Fire" statistic line.

The total number of calls during the month includes all calls we received during the March 14th fire including Mutual Aid calls and structure fire calls. We received Mutual Aid from numerous agencies during this event and were assisted in the covering of these calls. Due to the gravity of the day and the extream fire weather we were met with on that day structural triage tactics were implemented. This means that some of the homes lost on that day did not receive any or very little fire suppression from units on scene. When applicable units on scene made every attempt to save homes and property.

These calls are accumulative and not separate in some cases.
